Christian Value - Wisdom

Dear Lord, I ask for Wisdom, knowledge of your word and responsiveness to your spirit. Amen

We have finally reached the end of the academic year and we wave our Year 6s off on their next stage in their academic journey. I would like to wish them well and know they will flourish at their chosen High School with solid foundations which have been cemented here at Winwick CE. I would also like to wish those members of staff well who are also leaving us this year: Mrs Common for her 20 years service to the school, Mrs Dakin for supporting and nurturing the many children over the last three years and to Mrs Bainton as she continues her teaching career in Trafford. I would like to thank them for all their hard work and dedication to the job. We wish them well for their futures.

Since January, it has been wonderful getting to know your children and many of you as individuals. Thank you for the many positive comments received on the parental feedback forms and particularly to those who have noticed a significant change in direction for the school since January. The full report and responses will be compiled over the summer and sent out the first week back in September. I recognise that we are on a journey but with the stability of leadership, new recruitment of outstanding teachers and some new systems which have been put in place I know Winwick is definitely on the up and is an exciting place to be. I feel very privileged to continue this journey with you, and as a team I know we will work together to ensure this school is the best it can possibly be for the children and families we serve.

I would like to take this opportunity, on behalf of the full staff team, to wish you a wonderful, relaxing holiday. May you enjoy much cherished time with your children.

I look forward to seeing you all in September,

Mrs S Dymond (Executive Headteacher)
