Year 4 Spelling Overview – Spring 1 2024 Set 2

Spelling lists are based on the key spelling rules and patterns that children need to spell accurately to enable them to reach their age-related expectations at the end of Year 4. Spelling lists are given out **at the beginning of each half term** and copies can be found on School PING and on the class page of the school website. The table below shows you which week the children should be learning which set of spellings. Spellings will usually be tested on a **FRIDAY**.

In addition to these, the children will also be working on the Y3/4 Common Exception Word List and any words that they are still unable to spell on the Y1/2 Common Exception Word List. These may sometimes form part of the weekly spelling lists, but will also be covered as part of the children's work in class and may sometimes be sent home linked to children's English homework too.

Children should be encouraged to learn their weekly spellings in whatever way they will learn them best. Please ensure that you support your child with their weekly spellings. If you need any ideas for how children can learn their spellings, please come and ask and we will be more than happy to discuss ideas with you.

Spelling Test Scores will be recorded in the children's Homework Diaries each week.
