

Our Values Passport

Key Stage 1

In God's love, aspire and achieve to be the best'
1 Corinthians 16:14 'Do everything in love.'

Name: _____

CLASS	ACADEMIC YEAR	CLASS TEACHER
	September: 20	

My Values Passport

Over the school year, your challenge is to try to complete each of the activities in your Values Passport that link to our core values of Love, Respect and Perseverance, as well as finding some of your own. Some activities are easier to complete, others are more challenging; some activities will need to be completed at home, others can be completed in school; some activities can be completed quickly, other activities will take a longer period of time - some can only be completed by the Summer term.

Once you have successfully completed an activity, an adult needs to date and sign it. The adult must have seen evidence that you have completed the activity before they can sign your Values Passport.

The activities in your Values Passport not only link to our school values, but they also link to different aspects of our curriculum too. At the bottom of each page, you will find some blank columns; these are for you to fill in yourself. Can you think of your own activities that link to Love, Respect and Perseverance? Fill them in and get an adult to sign to say you've completed them in the same way that you would do with the other activities.

If you have done something particularly special or interesting linked to one of the values, you can add more information about it in the boxes on the back of your Values Passport.

There will be 3 opportunities to hand in your Values Passport; one each half term. Over the year, you will have the opportunity to be selected to receive the 'Governor Values Award'. To win this award, you need to show how you have successfully worked towards each of our school values, completing the set tasks and those that you have added yourself.

Each year, you will be given a new Values Passport to complete; these go up in stages - Key Stage 1, Lower Key Stage 2 and Upper Key Stage 2. At the end of each academic year, as well as having the chance to receive the 'Governor Values Award', everyone who successfully completes their Values Passport will receive a 'Year Group Values Award'. Each year group will have a different award. How many will you be able to collect?

Our Core Christian Values

"In God's love, aspire and achieve to be the best."

Love – with the love of God and the love of one another.

Love is the foundation of all values and as such will be taught through everything we do. We will encourage all our children to love God, themselves, love one another and love the world they are a part of. We will teach our children that God will always love them and be there for them in the good times as well as the difficult times in their lives.

Respect – to respect all things and the world we live in.

The nature of God, as shown in the Bible, gives all people a choice. Those whose response is one of respect are acknowledging God's greatness, power and importance in the world. This extends to respect for the created order, including humanity made in the image of God.

We will encourage all our children to respect themselves, each other, their school, their community and the wider world which God has made. We will give children the opportunities to be social champions to ensure our world is a place where we respect our differences no matter what faith, culture or race, what sexual orientation we may be, whether we have a disability or what gender we are. We are all born equal in God's eyes.

Perseverance – to keep going and support each other in all things.

Jesus always encouraged his disciples to be patient with the difficulties and obstacles they encountered and to persevere in everything they do. He trusted God even when his enemies tried to stop his work and plotted his death.

We will encourage our children to persevere in all they do; if work is challenging they are to keep trying and never give up. We will ensure our children challenge themselves to achieve in all parts of their learning. We will encourage and support them to believe that if there needs to be a change in this world; they are to persevere and recognise that one voice can begin to make a difference.

Value: Love

	Activity	Date Completed	Signed by an Adult
1	Write a prayer about love.		
2	Smile and wave at a neighbour.		
3	Share your toys with a friend.		
4	Take a photograph of someone that you love.		
5	Sit down together for a family meal.		
6	Visit a church near where you live.		
7	Recycle 3 different items.		
8	Find a song that you think other people will love and ask an adult to help you play/sing it for them.		
9	Make a card for somebody that you love		
10	Learn how to say 'I love you' in a different language.		

Now add 5 more of your own that show the value of 'Love'.
