Christian Value - Friendship

Dear God, we pray to you to strengthen our friends with prayers, bless them with love and encourage them with hope. Amen

It has been a really busy week in school and one which has seen us celebrate our children's achievement with you as parents. Thank you to all those parents who came to share in your child's learning with us. It was super meeting you all again and was lovely hearing so many positive comments about the quality of teaching and learning across the school, how much your child/ children are enjoying their learning and the consistency and drive of the leadership of the school. Please remember that if you do have any concerns, our doors are always open.

Year 2 had a very busy and eventful day on Wednesday when they visited Burwardsley. It was a fun packed day which was really well organised. The children had lots of fun and learnt a lot too. Thank you to Mrs Duckett for organising the trip and to those members of staff and parents who supported on the day. Some members of Year 6 also attended Hope Academy this week and took part in a Maths Challenge Day. They did brilliantly and were a credit to our school.

A separate letter is being sent out regarding Dinners for the week we return to school after the half term. We are lucky to be getting our roof replaced during half term and for the three weeks which follow but this will impact on the use of the kitchen for at least the first week. Please see this information; it needs to be returned by 18/10/17.

Donations for Foodbank for our Harvest Festival would be welcomed into school on Monday or Tuesday next week. Our School Council have sent a letter out this week with the items which are desperately needed by our local community. These include tea bags, long life milk, pasta etc. Let's make a difference to those living in Warrington. Many thanks in advance, The School Council.
