Christian Value - Hope

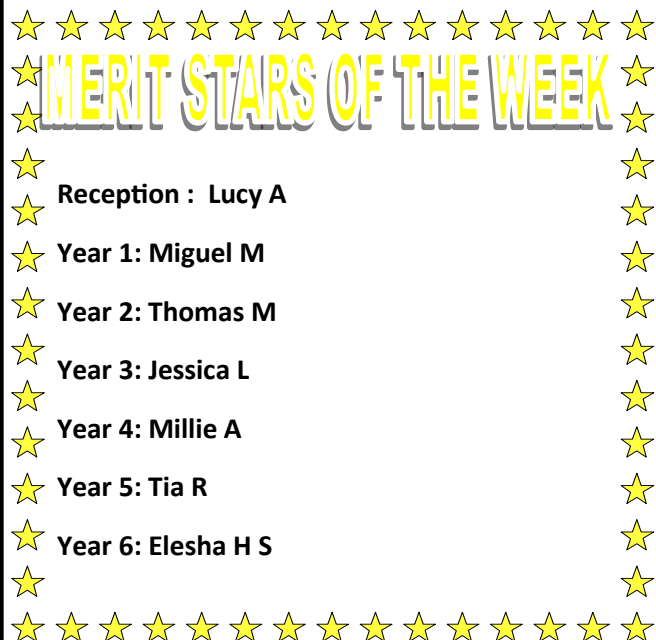

Creator God, We thank you that you always promise us a new start and a hopeful future.
Amen.

I really hope you enjoyed the Bank Holiday weekend and managed to get out in the gorgeous sunshine and enjoy some family time. It has been a lovely week in Winwick with pupils really working hard to achieve their best, enjoying playing together in the sunshine at break times and lunch times and being courteous and well mannered around school. Our Year 4 pupils went on a school trip to Manchester United this week and had a great time. Some were reluctant that it wasn't Liverpool or Everton but we don't get everything we wish for in life! I however was gutted to have missed out on that one. I did ask Mrs Duckett and Mrs Bainton to speed dial me if Beckham happened to pop back for the day... All the children were brilliant ambassadors for our school and showed respect to all they met. Thank you to Mrs Bainton for organising such a good trip.

On the issue of trips and clubs etc, I have been working on an overview for the whole school academic year so that you as parents and children will know which after school clubs will be available to you every half term and what trips and residential will also be offered and the approximate costings of these. This will help us all be organised and know what is coming up, what opportunities are out there for us and how much they may cost. This will come out to you later in the Summer Term.

Next week will see our Year 6 pupils complete their SATs assessments and we would like to wish them all the very best of luck for next week. They have all worked really hard and will do their very best to show the world how amazing they and Winwick are. Please make sure they are well rested this weekend, get some early nights and bring a water bottle with them each day. Thank you for all the support you will be offering them next week and be assured we will support them and make it as easy for them as we possibly can. I am sure they will enjoy their breakfasts each morning! Have a wonderful weekend; enjoy the sunshine,

Mrs Sue Dymond (Executive Headteacher)
