Christian Value – Respect and Reverence

God, please help me to treat everyone with kindness and respect.
Amen

Welcome back to everyone; on behalf of the whole staff team I hope you had an enjoyable and relaxing week. Well, our first week back since the holidays has certainly been a busy one ; we have had Bikeright for Year 5, World Book Day, Fairtrade week, Reading workshop and a visit from Father Richard. Thank you to all parents and carers who supported the children in their costumes on Thursday—they all looked superb, and thank you to the staff for all the effort put into making the day such a success. Year 3 and Mrs Raby are organising the Fairtrade raffle so children can bring in a £1 next week to support this. Mrs Dakin and the Year 6 team sold lots of Revolting Recipe things (which were actually delicious!) too. It is such a great team at Winwick so thank you for the dedication to the school and all the additional things you do.

Father Richard was also impressed when he came to visit and thoroughly enjoyed meeting the children, staff and seeing all the super work being produced. So again, well done to all. We also held a Reading workshop for parents; thank you to the two parents who attended. You will notice in next week's newsletter an incentive chart to promote reading. Your child will be added onto the reading ladder in their classes if they read **at least** twice a week at home. This needs to be recorded in their reading record and signed by an adult. Thank you to Mrs Duckett for her preparation and delivery of this initiative. It is our whole school target to improve the quality and outcomes for reading so let's all work together to make sure this can happen for our children. We look forward to seeing your support in this.

Next week sees the second session of Bikeright for Year 5. It was great seeing the progress made in just one day so I know they will do brilliantly on Monday. Attached to this letter you will find some further information about Science Week from Mrs Common. We did put a request in the newsletter a few weeks ago but this is an additional plea.... If anyone could give up an hour of their time and is based in a Science type job the children would really appreciate it.

Parents evening slips needed to be returned by today; your times will be sent home with the children on Wednesday 8th March.
Mrs Sue Dymond
