Christian Value - Friendship

Dear God, Sometimes we know that we will let our friends down but when that happens help us to find ways to be friends again. Amen

It has been a very eventful week in school with us visiting so many different periods of History: Knights and Queens, Stone Age, Victorians, Romans, Egyptians, Greeks and World Wars. A huge well done to all those children who came dressed in costume and to you as parents and carers for organising this. It was also a huge undertaking for staff who arranged some wonderful learning opportunities through activities like Cooking, Art, DT and Drama. You will see a record of many of these things through photographs on our website in due course.

It was also Jeans for Genes day today where we all adorned our Jeans to raise money for this worthy cause. Thank you to all those who supported it. In total we raised £173.

Next week our School Council are organising the Macmillan Coffee Morning on Friday 29th September from 9.15am-10am in the school hall. We would love as many of you to come and join us as possible. It is open to the whole community of Winwick so spread the word. We kindly request any donations of cakes or biscuits which we can sell at the event to be brought into school on the Friday morning first thing. We are also holding a raffle at this event so if anyone has any items which could be raffled off to adults please hand them into the school office next week. We thank you for your support with these charitable givings; as a Church school it is so important for this value of generosity to be shared and demonstrated to our children within school life.

We should all now be in the swing of things with our new homework schedule. Please ensure your child brings home their homework on a Friday and hands it back into the teacher on a Wednesday. We also request that your child reads each night and this is recorded in the Reading Record/ Homework diary. If you have any concerns over this or wish to find out more, the homework policy is on our website or alternatively drop in and see your class teacher to discuss it.
