Christian Value - Hope

We thank you for all your promises to us. We look forward to the time when there will be no more sadness and tears, Help us to play our part in doing what we can to make the world a better place. Amen.

It has certainly been a bit of a drizzly week in terms of weather but our children have continued to work hard and achieve great things. Our Year 2 pupils have been trying really hard in all their SATs (Secret Agent Testing!) this week and will continue to work in groups to complete them next week. Our Year 6s are still working hard on their writing and this will be moderated in the coming weeks so let's keep applying the skills we have learnt. Just a reminder that our Breakfast Club does not open its doors until 8am of a morning as this is when we are covered insurance wise to accept children onto the premises. I understand that many of you are racing off to get to work and we do our utmost to help you in this by being as prompt with the 8am start as we can. Many thanks with your support and appreciation of this. Mrs Sue Dymond (Executive Headteacher)

Additional information: Snack and Lunch Money to be handed in to class on a Monday in a named envelope.

BARN DANCE: Hope you have got your tickets for Friday evening's Barn Dance in school!!!! I know Joanne Hornby and her team have been really busy organising this event and if the Bingo night is anything to go by, it'll be a fantastic, fun filled family event. I look forward to seeing many of you there tonight.

eSafety: Our two eSafety Officers, Connor Hall and Emily Rich, have been working together to plan and organise some eSafety workshops for children in different key stages across the school. Next half term they will be visiting different classes to talk about keeping safe when using different Apps. The eSafety Officers will also be developing an eSafety notice board within the school and will be working with Mrs Duckett to add eSafety information to our school website—so keep an eye out!
