Our School Vision: *'In God's love, aspire and achieve to be the best.'* - Corinthians 16:14

Week Of: 6th to 10th November 2023

We've loved welcoming the children back after the half term break and are excited about the half term ahead as we lead up to Christmas. During our first week back, we have had a focus on Remembrance, with all classes working on activities linked to this, examples of which you can see in 'Our Learning This Week'.

On Friday morning, we held our Remembrance Service in school, with children from each class sharing prayers they have written, along with Oliver (Year 5) impressing us all by playing 'The Last Post' which he has spent lots of time learning at home; well done!

On Sunday, members of our choir also attended the Remembrance Sunday Service at St Oswald's where they sung a Remembrance song and Jasmine (Year 6) read a prayer. It was lovely to join together with our local community to remember all those who have made sacrifices for us and to pay our respects. A huge well done to those children who were involved, lots of members of the congregation spoke to Mrs Duckett at the end of the service to say how impressive you were! John Watkin (Church Warden) *"I would like to express our thanks to you and the children who performed so beautifully at the remembrance service. I know it brought a few tears to people's eyes. Such a lovely touch. Please tell them."*

On Tuesday, to support the Peace in Mind Campaign in remembrance of Brianna Ghey, children were invited to wear Pink for a donation of £1. Thank you so much for your support, we raised a total of £144.00 which will be donated to the Peace in Mind Campaign.

We are also very excited to have been able to share our SIAMS Report with you from our SIAMS Inspection that took place before the half term. If you have not already done so, please take the time to read it via PING or on the school website. Here is a sample of some of Winwick's strengths that are acknowledged in the report...*"The Christian vision, with its strong biblical roots, is clearly articulated and understood by pupils and adults in school. The vision underpins and inspires life at every level and gives all the confidence to grow and flourish. Inspired by the vision, nurturing relationships are a high priority for the school. Consequently, the established caring environment ensures pupils and adults are treated well."*

w/c 13.11.23 we have our UK Parliament Week where our pupil groups will be meeting to discuss their focus areas for this year and our KS 2 School Council will be joining with other school council's from our GRACE group of schools and will be meeting to discuss Courageous Advocacy with a focus on the Environment.

We will also be having our Parents Evening on 15.11.23—if you still need to book your appointment see School PING.

Our Winwick Remembrance Prayer

O Lord our God, Today, as we remember those who have died in conflict, through your Love, teach us the ways of peace. Help us to have Perseverance as we learn from past mistakes and help us to Respect one another. As we give thanks and remember the sacrifices of the past, give us Hope, and help us to make your future in this world.

Amen.

Our Learning This Week...

Dear God,

Thank you for everybody who sacrificed their life to help us by fighting for our country.

We shall remember those who have died in world war 1 and 2.

Now we can sing, play and dance and not have to be scared or hide.

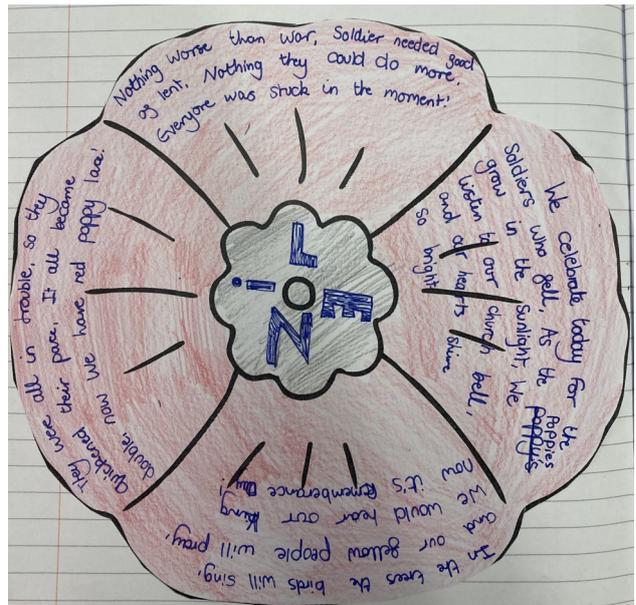

The soldiers have done this for us by winning the battles in the war.

Help us remember those lost on 11th November every year.

We are thankful that our soldiers won.

Thank you for the poppies that grow and help us remember.

Amen

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information linked to St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.

BIN STRIKE

We CAN raise funds to support voluntary litter picking teams in Warrington

Just keep your clean aluminium drinks cans separate from your usual blue bin waste, stamp on them to crush them, keep them in a bucket or plastic bag and we'll arrange to collect them from you. They'll be recycled with the cash raised used to fund our litter picking work in Warrington .

WINWICK LITTER NETWORK

PING FROM MRS JENKINSON WITH AN UPDATE THAT WAS SENT OUT:

As you know, the bin strike in Warrington is still ongoing and our local Winwick Litter Picking Network are collecting aluminium cans and trays to raise funds for the wider Warrington Litter Picking Network. We have agreed to have a collection point in our school, and I will leave a labelled trug to collect washed and crushed aluminium for recycling outside every Wednesday at pick up time.

I know that our Eco-Warriors are very keen to support this.

Many thanks, Mrs Jenkinson
