This “child friendly” policy is for you!

What is it for?

The four main areas of child Protection concerns are:

1. **Physical Abuse** – hitting, smacking, shaking, throwing, burning, biting etc
2. **Sexual Abuse** – be aware this doesn't always mean actually touching a child. It could be someone making you watch things to do with sex or encouraging you to act in an inappropriate way.
3. **Neglect** – this means things like not providing meals or warmth or clothing. Or perhaps not taking you to the doctors when you need to go. There may be lots of different reasons why a child is neglected and it is really important that we know so we can help.
4. **Emotional Abuse** – This means when someone upsets you or makes you feel bad. If someone in your family says horrible things to you and makes you feel sad and worthless.

There are lots of different ways, but one of the main ways is making sure the staff here at our school know how to keep you safe and also make sure you have someone to talk to if you need to.

What are the next steps?

Sometimes a member of staff will need to check things with Mrs Dymond or Mrs Duckett and then if they can deal with the issue themselves, they will.

Sometimes there are times when they may need to contact some other agencies for support. These may be Children's Social Care or the Police.

There are lots of other agencies who support children and their families as well and Mrs Dymond and Mrs Duckett will help to access these as well.

Mrs Dymond or Mrs Duckett will talk to you and explain all of this and you can always go and ask them questions if you are unsure about anything.
