

WINWICK CHURCH OF ENGLAND PRIMARY SCHOOL NEWSLETTER

Thursday 1st April 2026

What a fabulous final week in school!

We started the week with our PTFA Easter Bonnet and Design an Egg Competition (see details later in the newsletter), which was fantastic. The bonnets and eggs were amazing and it is clear that children and families have worked hard to create such wonderful masterpieces. We know lots of parents stopped by at the tables in the entrance to have a look at the children's work and there were lots of lovely comments about how great the designs were.

Our school Easter Service was held on Wednesday with the children reflecting on the Easter Story and it's significant. As always, we ended with our favourite Easter song – 'Easter Jubilation'.

On Tuesday and Wednesday evening, it was a pleasure to welcome parents into school for our Parents' Evenings where teachers were able to share children's work, along with updates about their learning and progress since the Autumn term. It was lovely to be able to share this with you and give you the opportunity to celebrate the work that the children have done.

On Thursday morning, we had a packed classroom for the Brianna Ghey Legacy Parental Workshop 'Look Up and Live'. The workshop was extremely informative and gave lots of important advice and guidance for parents. We will be sharing the resource links with you, along with further details from the session for those who were unable to attend, after the Easter break.

On behalf of the entire team, we hope you have a wonderful Easter break and look forward to welcoming the children back into school on Monday 20th April.

Important News

This term we are saying goodbye to two members of our Winwick Family...

Firstly, Mrs Jenkinson, who has been an instrumental part of our Winwick family for many years, with her own children having attended Winwick. Not only has Mrs Jenkinson been a valued member of our Winwick TA team, but she has taken on other roles such as PTFA and Governor during her years with us.

Over her time at Winwick, Mrs Jenkinson has helped to shape the lives of so many of the children who have attended Winwick and the lasting impact that she has had will form part of the school experience for so many children who hold dear memories of the experiences, support and care she has shown them over many years.

She has dedicated her own time to taking children on residential visits – experiences we know will last a lifetime, as well as giving up her time to support events such as the Primary Arts Network exhibition. For the staff team, Mrs Jenkinson has been a pillar of support – always there to offer help and guidance, especially for all things artistic and creative; she will be truly missed. On behalf of our entire Winwick Team, we wish her well in her retirement. A true Winwick legend!

At Easter, we will also be saying a fond farewell to Mrs Smith, who leaves us to take on a new challenge in an alternative role. During her years with us, Mrs Smith has been a valued member of not only the TA team but also our Link Club Team too. She has provided a warm welcome to children in the mornings at our Breakfast Club and supported a range of children across the school with different aspects of their learning.

Mrs Smith has also supported children in a range of after-school enrichment activities as well as their learning and has build long-lasting memories that children will take with them on their next adventures. On behalf of the Winwick Team, we wish her luck in her new role which begins after the Easter break.

We will miss you both dearly and hope our paths cross again in the future!
