

WINWICK CHURCH OF ENGLAND PRIMARY SCHOOL NEWSLETTER

Friday 12th September 2025

It's been a brilliant first full week in school this week! Our new Reception children have really shown their class value of Courage this week and it has been wonderful to see how fabulous they have been. This week, we have been visited by Early Years Teams from two other Warrington Schools as part of our 'Strong Foundations' project, where we spent some time in our Reception class. Our visitors were so impressed with how well the Reception children had settled into school life already – well done children!

This week, our Year 6 children have found out which key roles and responsibilities they will be taking on across the academic year, which will help them to showcase their class value of 'Responsibility'. We look forward to introducing you to the children and their roles soon!

Our Enrichment Clubs are now open for booking, with clubs starting next week (w/c 15th September). There are still places on some of the clubs, so please see Arbor for booking. As this is a new system, we opened the booking process during the school day, however in future, we are now able to schedule these and so all future bookings will be opening in an evening slot, with dates to be confirmed nearer the time.

Diary Dates have also been shared for the academic year too. Please ensure you continue to check these as there are likely to be some additions and amendments as the year goes on.

Over the weekend, there is a yellow weather alert for wind across the country, with high wind speeds forecast on Monday. Should these high winds develop, we will update you via PING/Arbor regarding any amendments to the drop-off/pick-up procedures that are normally in place.

We hope you all have a lovely weekend – stay safe – and we look forward to seeing the children back in school again on Monday morning.
