Our School Values & Rules

RESPECT: we listen to everyone equally

COURAGE: we work hard and challenge ourselves

FRIENDSHIP: we are kind and look after each other

FORGIVENESS: we forgive each other and ourselves

TRUTH: we are honest and tell the truth

GENEROSITY: we look after our community and the wider world

TRUST & HOPE: we put our trust and hope in Jesus and the example He has set

Our Core Christian values

Love – with the love of God and the love of one another.

Love is the foundation of all values and as such will be taught through everything we do. We will encourage all our children to love God, themselves, love one another and love the world they are a part of. We will teach our children that God will always love them and be there for them in the good times as well as the difficult times in their lives.

Respect – to respect all things and the world we live in.

The nature of God, as revealed in the Bible, presents all people with a choice. Those whose response is one of respect are acknowledging God's greatness, authority and involvement in the world. This extends to respect for the created order, including humanity made in the image of God.

We will encourage all our children to respect themselves, each other, their school, their community and the wider world which God has made. We will give children the opportunities to be social champions to ensure our world is a place where we respect our differences no matter what faith, culture or race, what sexual orientation we may be, whether we have a disability or what gender we are. We are all born equal in God's eyes.

'In God's love, aspire and achieve to be the best'

Perseverance – to keep going and support each other in all things.

Jesus frequently encouraged his disciples to 'endure patiently' the difficulties and obstacles they encountered and to persevere in the face of adversity. He trusted God even when his enemies tried to stop his work and plotted his death.

We will encourage our children to persevere in all they do; if work is challenging they are to keep trying and never give up. We will ensure our children challenge themselves to achieve in all aspects of their learning. We will encourage and support them to believe that if there needs to be a change in this world; they are to persevere and recognise that one voice can begin to make a difference.

- We work on a 'First Day Response'
- Please contact the school office each day to inform us if your child will be absent
- Holidays will be classed as unauthorised absence and are not to be taken in school time
- Punctuality is monitored very closely – children need to enter school before 8.55am via the playground pupil entrance. If they arrive after this time, they are classed as late. Learning starts the second your child enters the classroom so it is essential that they are in school on time.
