Our School Vision: *'In God's love, aspire and achieve to be the best.'* - Corinthians 16:14

Friday 15th September 2023

What an exciting start to the year it has been! It has been lovely to welcome our New Reception. They have settled into our Winwick Family already.

In our first few days, we continued our whole school Art Project focusing on St Oswald's church linking in with Winwick Heritage Weekend. A huge THANK YOU to everyone involved in the Heritage Weekend, to those who came along to the church to explore and to find out about its great history. We were so proud to be invited to work alongside the church to produce some artwork that the children exhibited as part of the weekend. In July, the children had the opportunity to visit the church and to find out about some of its history. They had time to explore the church and created some artwork based on features of the building that they liked. In our first week back, children continued to develop and create artwork, which was then exhibited at St Oswald's as part of their Heritage celebrations. In addition to this, we were asked to create a large piece of artwork that was unveiled by Bishop Beverley Mason, Bishop of Warrington. Children from across the school worked together to create a large art piece which was inspired by one of the stained glass windows from the church. Everyone was so impressed with how fantastic and detailed the children's artwork was! It was nice to hear comments from families and members of the public about how impressed they were with the children's art exhibit—well done children! We have had some really exciting changes over the summer break, with the addition of our brand new school library! This week, we have had the official opening of the library and we also invited Helen Stewart a local Storyteller to come along as part of this event and spend time with each of our classes telling them different stories. It started with the whole school coming together to listen to Helen telling us a story which involved us all getting involved—even the grown-ups too!

We will be sending out our new format 'Parental Curriculum Overviews' this week which give a clear overview of the curriculum coverage across the Autumn Term. You will also see there are a number of curriculum focus weeks and special days/events on our diary dates, so please check the full list carefully as we have a number of days where children are invited to dress in costume/different items of clothing. There are also some parental events across the half term too!

We cannot wait to continue our learning next week and look forward to seeing you at some of our events soon too!
