Snow White and the Seven Dwarfs

Well we have made it to week two of the half term and we couldn't be prouder of all our children learning at home and in school. We sent a PING out to everyone on Monday with LESSONS LEARNED from week one answering many of the questions we had received as well as things which needed tweaking for this week based on feedback from parents, pupils and staff. We hope you found it useful. Please continue to get in touch with us if there is anything we can do to amend or support in any way. We have been so impressed with the quality of work received into school; here are some messages from the staff team...

"We are really impressed with how well you have adapted to home learning. We love seeing your pictures and videos of all your learning. It makes us so proud that you are trying hard and always have a smile on your faces. Keep up the good work Reception and we look forward to seeing you soon." Mr Henaghen, Miss King and Miss Williams, "Wow, where to start? If it were possible, we might just burst with pride! We have been left speechless by how well you have adapted to remote learning—you have taken to it like ducks to water. Mr Perrin and I loved reading your journeys through life work in RE and learning lots of new things about you. This is not how we wanted to start 2021 but you haven't let us down. Keep working hard everyone. Team Awesome just isn't the same without us all being together." Mrs Mather, Mr Perrin & Mrs Jervis. "Wow Year 3 you have all been amazing. You have made both Mrs Jenkinson and I really proud. We have especially enjoyed the character descriptions and being Scientists raiding the food cupboards at home for nutritional information. Keep going Year 3—we know you can do it" Miss Allen & Mrs Jenkinson, "We have loved seeing all your work; you have worked so incredibly hard and we can see how much effort you are putting into your work. A favourite from last week were your PSHE posters, they were amazing and I will make sure I take note of them too!!! Thank you for all your hard work." Miss Platt & Mrs Dudley, "We are amazed by how brilliantly you have done with your home learning, especially as this is home learning 2.0 for Year 5 and we know how difficult it is being away from each other once again. We love seeing all your work you are doing at home; you have been doing your very best and that is all we can ask: WELL DONE EVERYONE!" Mrs Duckett, Mrs Wilson & Mrs Mills "Well done Year 2, it has certainly been lovely getting to know you all these last two weeks. Thank you for helping me get used to google classroom and for sharing your super work with me." Mrs Underwood & Mrs Gordon, "Your personalities are shining through whether you are working at home or in school. We have had party invites from 'Wild Things', winter scavenging hunts and even videos of you reading at home. Everyone is trying their very, very best. There's even been time to check in on one another and share messages of love and support. Remote learning won't stop us from learning; no way!" Mrs Knapp & Miss Kenyon

IMPORTANT WEEKLY UPDATES AND INFORMATION

PINGS sent out this week: Lesson learned from home schooling week 1

COVID RESTRICTIONS: National Lockdown You must stay at home. The single most important action we can all take is to stay at home to protect the NHS and save lives. This is [the law](#).

Leaving home: you must not leave, or be outside of your home except where necessary. You may leave the home to:

- shop for basic necessities, for you or a vulnerable person
- go to work, or provide voluntary or charitable services, if you cannot reasonably do so from home
- exercise with your household (or support bubble) or one other person, this should be limited to once per day, and you should not travel outside your local area.
- meet your [support bubble](#) or [childcare bubble](#) where necessary, but only if you are legally permitted to form one
- seek medical assistance or avoid injury, illness or risk of harm (including domestic abuse)
- attend education or childcare - for those eligible

If you do leave home for a permitted reason, you should always stay local - unless it is necessary to go further, for example to go to work. Stay local means stay in the village, town, or part of the city where you live.

Meeting others—You cannot leave your home to meet socially with anyone you do not live with or are not in a [support bubble](#) with (if you are legally permitted to form one). You may exercise on your own, with one other person, or with your household or support bubble. This should be limited to once per day, and you should not travel outside your local area. You cannot meet other people you do not live with, or have not formed a support bubble with, unless for a permitted reason.

[Stay 2 metres apart](#) from anyone not in your household.
