Our School Vision: 'In God's love, aspire and achieve to be the best.' - Corinthians 16:14

Friday 30th June 2023

This week, we've had lots of exciting activities in school. Our Reception children had a fantastic day at the farm this week; they had the opportunity to explore the different areas of the farm and even had a ride on the tractor too! Thank you to all the helpers who joined us on the trip. They even managed to miss the rain! On Friday, some of our classes took part in an online visit from a real-life author! The children had an online workshop with Ed Vere, who shared his book 'The Artist' with the children. They learned about what it is like to be an author and illustrator and had the opportunity to experiment with their own designs too! Here are some reflections from children who took part... "I enjoyed drawing along with the illustrator. It was very fun!" "I liked the artist/writer of the book as he was very interesting." "We were learning that it's okay to make mistakes sometimes and that anybody can be an artist if they really want to be!"

Next week, we are looking forward to getting to spend the week in our new classrooms in our Transition Week. We will have the opportunity to find out about our new class value, think about our class charters for next year, as well as doing lots of exciting activities too. We also have our Meet the Teacher meetings next week, where you will have the opportunity to meet your child's class teacher for next year. Also, just a reminder that w/c 10th July is Sports Week; children should come into school in PE Kits/Sports clothes and trainers each day as they will be completing different activities across the week. We also have our Sports Day planned (weather permitting) on Wednesday 12th July. Have a lovely weekend.
