Academic year 2024-2025

IMPORTANT REQUEST: Measles/Chicken Pox

Dear Parents/Carers,

On behalf our School Leaders, through the recommendation from Alder Hey Children's NHS Foundation Trust, please may we ask for your cooperation in a vitally important matter.

A child within our Winwick Family is receiving medical treatment which puts the child at serious risk if exposed to Chicken Pox or Measles.

If your child is suspected of having either Chicken Pox or Measles, you should let us know immediately.

Please make contact with the school office as soon as soon as possible if either is suspected: via email if out of school time and then also follow-up with a phone call once school is open, or via phone call if during the school day.

winwick_primary@sch.warrington.gov.uk
01925 630995

Your child is not at risk whatsoever from this situation, however, the health and well-being of the child who is at risk does depend on your complete co-operation, and that of all other parents/carers.

We do hope you can support us with this request.

With many thanks.

Yours Sincerely,

L. Duckett

Mrs L. Duckett
Headteacher

H. Paisley
