Friday 17th January 2025

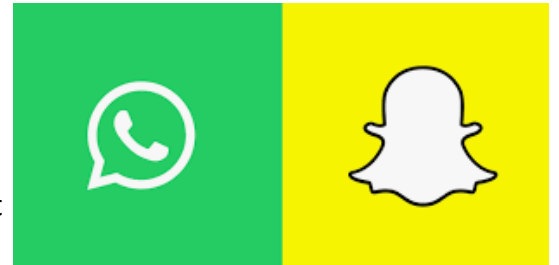

This week, we have been pleased to see the ice on the playground fully melting and the weather getting a bit warmer. Our Year 6 leaders are excited to finally be able to get started with the exciting games and activities that they have planned for lunch times no they can access the full space too!

Starting next week, we will be re-starting our Key Stage 2 children attending St Oswald's on a Thursday morning, with one class per week attending the morning service in church as part of their daily worship. As part of this service, the visiting class will be offered the opportunity to be a part of the service, should they wish to participate. We are currently in the process of coordinating this and will provide our Key Stage 2 parents with further details via PING once we have this in place. If you wish to attend, you are more than welcome to join us, be that with your child's class or with an alternative class as we are also joining together with Rev. Martin and the local community for this service.

This week marked the start of our class Parental Worships, with our Year 6 children inviting their adults from home to join them for worship and to find out more about their class value for this year, Responsibility. We have our class worships for Year 4, Year 5 and Year 2 this half term, with other classes being after the half term break. Class teachers will send out further information to you via PING regarding your child's class worship and dates can be found later in the newsletter.

Mr Nicholls is in the process of organising our annual Parental Online Safety Workshop and further details will be shared once we confirm the dates with the external professionals that he is liaising with.

In addition to our ongoing curriculum, we also have our Safer Internet Day for the children this half term too. Along with our newsletter this week, we have attached parent guides for WhatsApp and Snapchat.

Please read these carefully to ensure you are making informed decisions about the technology you are allowing your children to access on their home

devices. We would also encourage parents to regularly check and monitor all devices that their children have access to and to report any concerns to the appropriate body should they arise.

Finally, we are very proud of Evelyn in Year 4 who has donated her hair to the Princess Trust this week and has also raised £900 which will also be donated too. Well done Evelyn!

On behalf of myself and the staff team, we hope you have a lovely weekend.

Each week, we will share information from St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.
