Dear God, Thank you for our family and friends and for times of celebration that we can share in together. Amen

It has been a lovely first full week back in Winwick. The Reception children have settled into school life really well and are enjoying making new friends and learning in the outdoor learning environment. We introduced our Values Passports to the children last week and it has been amazing hearing about the many activities which have been ticked off already even after only a few days. We hope you have seen and shared these with your children. Please keep them in your child's book bag so that we can continue sharing them during our school day and fill them in when they achieve something whilst they are here.

We also welcomed Mrs Kwissa from Liverpool Diocese Multi-Academy Trust into our school today. She was extremely impressed with the pupils attitudes to their learning and the welcoming environment we offer to all here at Winwick. Thank you to all here at #teamwinwick who make everyday special for our children. Our class pages are all up and ready to access on the school website under the Our School tab so please make sure you have accessed these as well as checking all school PINGS sent out. Many thanks for your continued support,

Mrs Dymond and all the team at Winwick CE
