Prayer for the Week

We thank you for your love and your promise to be with us. At school or work, at rest or play, help us to feel near to you and hear your voice. Guide us to always do our best in every situation and to love one another. Amen.

As we reach the end of this half term, we reflect back on what an action packed time it has been for such a short length of time. Our newsletter was so full last week that we couldn't fit in information about our Sports Day!

We have had so many lovely comments about our Sports Day last Friday. It was wonderful that so many people could join us to cheer on the children and—for the first time in a long while—we managed to have the event go ahead as planned without rain or needing to reschedule! The sun was shining and it was lovely to see the children supporting each other in their houses, cheering each other on. As always, thank you to those family members and staff who joined in the parents and teachers races; the children loved it!

Our Governor Team have met this week in the Church hall for their annual Governor strategy day to focus on key school priorities. This was a really productive session. Our Governor Strategy document was shared earlier this academic year but if you would like another look, you can find this on our school website in the Governor section.

As this has been a shorter half term, our Enrichment Club offer will be shared/bookings opened in the first week after the Whit break and clubs will commence in the second week.

For your reference, School Meals w/c 9th June will be Week 2 on the menu.

After the holidays, our Year 1 children will have their Phonics Check and our Year 4 children will have their Multiplication check. Results of these, along with the results from the Year 6 SATs tests will be shared with pupil's end of year reports in July.

We hope you all have a wonderful Whit holidays and we look forward to welcoming the children back on Monday 9th June.

Our School Vision: 'In God's love, aspire and achieve to be the best.' - Corinthians 16:14

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information from St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.

Early help

What is early help? Our early help teams work with families to provide support to children, young people and their families as soon as difficulties start to emerge.

Early help can:

- provide support as soon as a problem emerges
- help prevent further problems from arising
- be offered to the whole family with services delivered jointly

Any professional working with your family, such as schools, health services and voluntary sector organisations, can offer early help services as soon as they can see that advice, support and/or intervention may be needed.
