Father God, Help us to be trustworthy like Gideon even in the small things that we are asked to do. Amen.

On Wednesday evening, I was proud to attend the Welcome Service for our Year 7 children at Hope Academy. It was wonderful hearing how they have settled and officially 'handing them over' on their next step of the journey. We know they will continue to be superstars! It has also been Children in need Day today in school with many of us proudly wearing our Odd Socks as chosen by the School Council as a way to mark and raise money for this charity. Thank you for your support again. Please keep an eye on the school website under Curriculum and our Class Pages for pictures of all the different events we take part in.

**MY CHILD'S ART.CO.UK** Your child will have brought home this week a leaflet in respect of their "Christmas Drawings". Please log on to the website with the details provided and order your goods if you wish!

**PUPIL PHOTOGRAPHS** Log on to the website with your unique code to see the photo in a larger version.  
Orders are made directly through this website.

**Year 6: Alex L**

**Headteacher Award Winners:** Well done to Joey R for amazing progress in phonics, George P for individual addition and Elliot R and Frankie R for super posters linked to WW2 and Remembrance. We have also been really impressed with some homework projects completed by Year 2, Year 3 and Year 5 pupils: Frankie R amazed us all with his times tables up to 50, Harry L produced a superb leaflet all about Soil and Keira S wrote one about Animals. They were extremely informative, very well produced and we are all very proud of you. Another set of homework which was fabulous was a lego model of the soil levels by Thomas L and Jaxon W's writing and drawings about Remembrance.

Reception	99.3%
Year 1	99%
<b>Year 2</b>	<b>100%</b>
Year 3	97.9%
Year 4	99.1%
Year 5	98.4%
Year 6	98.1%

**Well done Year 2 100% I hope you enjoyed your extra treat!**

We all made it above our target of 96% - Yeah!
