### Y4 Winmarleigh Hall Residential – Autumn 2020

Dear Parents/Carers,

As you know, we were planning to take the current Year 3 children on a residential to Winmarleigh Hall in their first half term of Year 4. Due to the ongoing situation with COVID-19, we have taken the decision to postpone this trip, with a view to rescheduling it for the academic year 2021-22. This would mean during that year, we would take the Year 4 cohort as normal, along with the Year 5 cohort (current Year 3 children).

As a result of this, we will be refunding any payments that have already been made linked to this trip and will provide further information for you next academic year once we have more details of what will be happening, in addition to monitoring the national picture linked to COVID-19. Our office team are currently in the process of liaising with Parent Pay to arrange for refunds; this should be completed within the next couple of weeks as it can take time for payments to move between accounts.

While we know that some children will be disappointed not to be going to Winmarleigh Hall next year, even if guidance changes, we feel that it is better to take steps to postpone so we can continue to monitor the situation before taking any children away on a residential for the safety of all concerned.

Thank you for your continued support,

Winwick School Leaders
