

Year 3 Times Tables Homework Overview – Autumn 1

- In Year 3, we need to know our 2s, 5s, 10s that we learnt in Year 2, and we will be learning our 3s, 4s and 8s. We also need to be able to recall them quickly.
- Each week, you will be given a focus for your Times Tables so that you can work on them at home.
- You will be tested on that week's focus Times Tables usually on a Friday, and the Times Tables homework week will run from a Friday to a Friday.
- You know how you learn best, so make sure you spend time each week learning your tables; you can use [ITRockstars](https://www.itrockstars.com/) to help you too.
- For 'Mixed Tables' weeks, you will be given a multiplication set in random order or mixed in with other times tables.
