Prayer for the Week

Thank you for looking after our School. Thank you that you love each and everyone of us here. Help us to learn, play and share together. So that the wonderful world you have made becomes more beautiful everyday.
Amen.

Good afternoon,

A warm welcome back to all our families and pupils. We are very excited to start our final half term of the year. This week, our Year 6's in particular have had a busy week! They started with a trip to Liverpool Cathedral for the Year 6 Leavers service.

The leavers service was a lot of fun. There was a play about the story of Moses and lots of other schools there. Everyone was really excited about next year!

Year 6 then had a special visit from a magistrate, who came to speak to them about what a career was like in criminal law and the difficult decisions that he has to make as part of his job.

It was really interesting to meet a magistrate. They decide on sentences for crimes and how people should be treated.

Elsewhere in school, the Year 4 children have been working very hard on their multiplication checks this week and have impressed us with their collective efforts and what they have achieved. Well done also to our Year 1 and Year 2 children who have been able to demonstrate their excellent reading and phonics skills after working very hard this year in class and at home. Thank you for all your support from home and have a restful weekend.

Mr Nicholls and the Winwick Team

Our School Vision: 'In God's love, aspire and achieve to be the best.' - Corinthians 16:14

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information from St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.

Early help

What is early help? Our early help teams work with families to provide support to children, young people and their families as soon as difficulties start to emerge.

Early help can:

- provide support as soon as a problem emerges
- help prevent further problems from arising
- be offered to the whole family with services delivered jointly

Any professional working with your family, such as schools, health services and voluntary sector organisations, can offer early help services as soon as they can see that advice, support and/or intervention may be needed.
