HOME LEARNING UPDATE

Dear Parents/Carers,

This morning, we welcomed back most of our Year 1 children to school, who have now joined our Reception and Key Worker children. They have had a lovely first day back and it has been wonderful to see them enjoying being back in school again.

Returning Classes

Please remember to go through the routines and changes that are on our website with your child/ children before they return so they are a little familiar with the new systems and changes.

Thank you to Reception/Year 1 parents this morning for helping to make the transitions into school seamless.

Just some reminders:

- Please do not congregate prior to your designated drop-off/pick up times, instead trying to arrive as closely to the times as possible and observe all 2m social distancing/one way systems that are in place.
- Please make sure your child has everything they need and that they are ready to come straight into the building to help minimise any waiting time at the drop-off points.
- If you have a message regarding your child, please email this through to the school office prior to your child coming into school so that we can pass the message on to the appropriate member of staff; unfortunately, staff will not be able to speak with you at hand-over times.

Your co-operation with this is much appreciated.

In God's love, aspire and achieve to be the best'

Online Learning

We are continuing to wait for further guidance linked to wider year groups returning to school prior to the summer and will liaise with you as soon as we are able to do so. For all children who are still learning from home, we will continue to provide regular learning activities on class webpages, along with access to TTRockstars, SumDog, Purple Mash, Reading Plus (Y2-6), Evidence Me (Rec). Please try to make sure that there is a routine in place for the day with chunked learning and regular breaks for exercise.

We will continue to turn on the website learning on a Sunday evening, upload our Monday Worships with Mrs Dymond and email/ PING out the school newsletter on a Friday. Last week, we started to celebrate all Pupil Achievements again for those pupils in school as well as those pupils who are sending work in for us to see. We have also been individually PINGing out award certificates linked to Reading Plus for those children who have been flagged up by Reading Plus as reaching a key achievement point. Who will achieve the awards this week?

We also would like to remind all our children and families that, although we can't all be together in person, school are still here if you need us for help and support. The best (and quickest) way to get in contact with us is to email us at winwick_primary@warrington.gov.uk and you can also leave us an answer phone message by calling the school office. Please do not drop into the school at all as we cannot let you into the building unless a prior appointment has been made.

Finally, a huge well done to all our Year 1 children and parents who showed great courage today coming back into school. We look forward to welcoming our Year 6 children back next week too, from Monday 29th June.

Thank you for your continued support, with the warmest of wishes,

The Whole of the Winwick Team

In God's love, aspire and achieve to be the best'
