Our School Vision: *'In God's love, aspire and achieve to be the best.'* - Corinthians 16:14

Friday 14th June 2024

We've had a fabulous start to the final half term of the academic year!

Our Reception children enjoyed their visit to the farm on Tuesday and our Year 3 and 4 children have started their PE sessions with coaches from Warrington Wolves this week too! Mad Science also visited us mid-week to do an assembly all about Science; they will be running an after-school club next academic year, so for any of our budding scientists, more information will follow about this for you closer to the time.

We were so proud of our Year 6 children who attended their Leavers' Service at Liverpool Cathedral on Wednesday afternoon representing themselves and the school wonderfully—well done Year 6, you were a credit to us!

A huge WELL DONE to our Key Stage 1 children who did their Phonics Screening Check this week, and to our Year 4 children who did their Multiplication Checks too—you have worked so hard with your phonics and times tables this year and should feel really proud of the perseverance you have shown this week.

Another well done to our Link Club Team and a group of children who have entered a young artists competition; a selection of the children's work has been chosen to go into a published book of artwork—what a fabulous achievement children!

Next week we have our Sports Day on Wednesday 19th June (see times below) which will take place on the school field. For safeguarding purposes, please ensure you remain in the designated area for parents/carers and that you do not come over to where the children are seated. Please ensure that children wear their school PE Kit, bring their pre-filled water bottle and also bring a coat with them. Should there be heavy rain, a decision to cancel will be made by 8am via School PING.

Have a wonderful weekend. Mrs Duckett and the Winwick Team

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information from St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.
