'clothe yourself with compassion, kindness, humility, gentleness and patience.' Colossians 3:12

Well it has been a strange week with new restrictions coming into play and Boris making further statements outlining our path for the next six months. As I have shared with staff, we will get there and will be stronger together at the end of it all. Try to hold onto the positives; the love of your children that run and hug you at the end of each day, that first cup of hot tea in a morning, the tuneful bird song, blue sky and even rainy days, fresh air filling our lungs on our walks as a family. In a few weeks time it is our Wellbeing Week in school and we will be doing more work with all our children on keeping ourselves mentally healthy and how they can do this in their lives. We would also like to extend this to you and our community so will be sharing some ideas with you too via our website. But for now.... Keep going; you are doing a brilliant job and doing the best you can do! It seems fitting this week now to share with you our newly appointed Wellbeing Champions in school:

Sleep, hugs,
kisses, love,
friends,
family,
memories,
smiles,
laughter and
fun, the best
things in
life are free.

Year 6

Year 5

They are going to be busy this term and hopefully will keep us all happy, smiling, positive and together. Have a lovely weekend everyone, Mrs Dymond and team Winwick

IMPORTANT WEEKLY UPDATES AND INFORMATION

RISE IN CV19 CASES IN ST HELENS & WARRINGTON: LOCAL LOCKDOWN IN WARRINGTON This week we added extra measures for parents and staff to try and keep everyone in our community safe. All parents/ grandparents are to wear face coverings when dropping off and collecting the children. You may have noticed all staff are wearing face coverings too on the playground. They also wear these around school and in their classrooms only taking them off when delivering lessons, when they will don a visor instead. We are doing everything we can to protect everyone. We wish to say a huge 'thank you' to each and everyone of you who has helped us do this. It is greatly appreciated and this week has again reminded us that as a team and collective we are stronger and can get through anything. Thank you to all those who have also sent in messages of support and shown your kindness to staff in these unprecedented times; it means a lot.

LINK CLUB SURVEY: Due to the current situation, we will not be opening up the Link Club before Christmas. We appreciate how difficult this may be for parents who are required to work but as a school we have to look at the education of all children and through the non mixing of classes this ensures that if a positive case comes in we only have to send home those individual classes and not a wider grouping who may have mixed in Link Club.

Home Learning in the event of a class lockdown: PING sent out 21/09/20 detailing our offer. Please make sure you have read this document and can access Google Classroom etc. For those individual pupils who are self-isolating at home, the home learning offer has begun this week and it has been really pleasing to see you logging in each day and completing your work. Well done to all those pupils (and parents!) **Any worries or questions, please email them into school and we will endeavour to get back to you as soon as we can; don't wait until a class lockdown happens, make sure you can access everything now.**
