Our School Vision: *'In God's love, aspire and achieve to be the best.'* - Corinthians 16:14

Week Of: 16th October to 20th October 2023

It has been our History focus week this week, with the high point being our Historical Costume day on Wednesday. We had Evacuees, Vikings, Romans, Cavemen as well as outfits from the Edwardian times (Titanic) and also from a more modern Britain! Our teachers also got involved too! At the end of the day, the children came together in the hall to do a History Showcase where children from each class shared with the school what they have been learning about in their History units and Mr Henaghen helped them create a human timeline showing where the different events sat next to each other on the historical timeline! You can see some photographs in our learning this week section of the newsletter. Here are some of the children's reflections...

RECEPTION

We stood in a line and Miss Platt asked us to stand in our birthdays and be in an order. But I couldn't remember mine but it was okay because Miss Platt had a list!

YEAR 1

I have been enjoying learning about what old teddy bears use to be like. So, the older ones have longer noses and the older ones have different glass eyes.

YEAR 2

We've been learning about the Titanic and learning how it was so big compared to the ones that came before it.

YEAR 3

We have been learning about the Bronze Age, Stone Age and the Neolithic Age. Bronze is better than stone because it can be made sharper to cut down trees to make a space for farms because that was the most famous job.

YEAR 4

I loved that we learned more about History and I loved learning about Boudicca and Julius Caesar.

YEAR 5

We have been learning about the Anglo-Saxons. They came from Denmark and Germany and came because, where they came from, they didn't have enough farming space. They were mainly farmers not warriors so they came over because they wanted to build farms here.

YEAR 6

We have been learning about rationing and the Blitz. I have learned about how they had to ration food in World War II and two-thirds of the food supply came from overseas so they had to ration food because while it was coming over, it was coming over on boats and they could be bombed.

You will notice that we have made some changes to our newsletter over this half term and also this week. We have tried to provide you with a range of information about what the children have been learning, other events happening in school and also different events link to our church and local community. This week, we have also adjusted our diary dates section which will hopefully help make things easier to see what is coming up over the coming weeks and in the future.

We are really looking forward to our last week of learning in our first half term. We have been so very impressed with the way that the children have started the year and cannot wait to see where their learning takes them next half term. On behalf of the Winwick Team, we hope you have a wonderful half term when it arrives.

Mrs Duckett and The Winwick Team

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information linked to St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.

Church Services

Sunday 22 October, 11.00 am - Holy Communion led by Rev Veronica

Even though there is always a warm welcome at Church, we advise you to dress according to the weather. Please wrap up warm.

Messy Church has also resumed and you can keep up with updates on the Facebook page: [Messy Church - St Oswald's Winwick](#)

Our joint services are held at:

Christ Church, Lady Lane, Croft, WA3 7AU

Newchurch Parish Church, Church Lane, Culcheth, WA3 5ET

Our Messy Harvest is on Saturday 14th October from 10am to 12pm and will take place in the Church Hall. Learn about Harvest thanksgiving through various activities, whilst having lots of fun meeting up with others. We will finish with a very short Church Service followed by light refreshments. Admission is free.

CAN YOU HELP??

St Oswald's Children's Sunday Club is currently not running as they have no one to lead it. Do you, or any one you know, think that they would be able to support and lead their Sunday Club? If so, please get in touch with

Usual sessions are on a Sunday morning during the Church service at St Oswald's (term time only).

Events

Supporting Our Community...

BIN STRIKE

We CAN raise funds to support voluntary litter picking teams in Warrington

Just keep your clean aluminium drinks cans separate from your usual blue bin waste, stamp on them to crush them, keep them in a bucket or plastic bag and we'll arrange to collect them from you. They'll be recycled with the cash raised used to fund our litter picking work in Warrington .

WINWICK LITTER NETWORK

Mrs Jenkinson has been liaising with the Winwick Litter Network and it would be lovely if we can support them with their initiative to support not only Winwick, but the wider Warrington area. We are arranging for a collection point at school where you can drop off your crushed aluminium drinks cans which will be collected. We are awaiting confirmation about when this will begin and our Eco Warriors will send a PING out with more details when we know more; in the meantime, please rinse out and crush any aluminium drinks and collect them ready to drop into school. Thank you for helping to support our community!
