

## Can you help?

With the ever-increasing cost of living there are many local families who are now suffering real hardship, and with your help we can support them.

Donations of new or good, clean used condition **children's winter coats and boots** are being accepted at our **CARE UK CHARITY HOMESTORE** – to be passed on to those who would otherwise struggle to acquire them.

Unit C, Prince Henry Square, Warrington, WA1 2QH

Thank you for your support!
