Clubs will open for booking via Parent Pay in advance of the next half term. Please keep an eye on Arbor and the school Newsletters for further details about the dates we will open Enrichment Club bookings. Clubs are £2 per week, with the exception of Arts/Crafts/Cookery which are £3, due to needing additional resources. Our Clubs are very popular, so if your child no longer wishes to have their place (or will be absent from a Club) please inform the school office so that this place can be offered to another child – thank you.

*Booster = These are not bookable clubs. Children invited to booster sessions will be contacted via the relevant members of staff and are optional for attendance.

KS2 children who completed the sign-up for Young Voices last year will have the opportunity to attend. If there are any further spaces, these will be offered out to other members who have signed up for Choir.

Children taking part in Art and Craft Clubs will need to have a painting shirt with them to wear during the club as some activities may be messy.

WSA Clubs are all sports so children will need a sports kit/trainers with them if it not their PE day.

External Clubs are bookable directly with the clubs themselves – please contact the school office for further details.

GUITAR LESSONS (External) = Wednesdays during the school day. Please contact the office for more details.

KEYBOARD LESSONS (External) = Thursdays during the school day. Please contact the office for more details.
