20th April 2020

Welcome to Reception!

We are really looking forward to you starting in our school in September. It is going to be a lot of fun.

We are Mr Henaghen and Miss King, we are going to be your class teachers this year. We really love coming to work at Winwick as the children are all super behaved and try their hardest. We hope you will too!

In our spare time, we enjoy going to the gym and keeping healthy, cooking for friends and family and walking our pets.

We are both really keen to get to know you more before you start school. Hopefully, you will be able to come into school for a taster day and attend the Teddy Bear's Picnic (remember to bring your favourite teddy). We will be bringing Monty and Marvin our class teddies for you to meet.

If we cannot do these, then do not worry as we will try our very best to meet you another way before school starts in September.

See you soon.

Mr N Henaghen, Mrs J Wilson & Miss S King

In God's love, aspire and achieve to be the best'
