Our School Vision: *'In God's love, aspire and achieve to be the best.'* - Corinthians 16:14

Week Of: 9th October to 13th October 2023

As our Celebration Worship is now held at the end of the day on a Friday instead of in the morning, moving forward, our weekly newsletter will now be sent out on a Monday.

What an eventful week we have had! This week has been our Diversity Week, where we have completed a range of interesting and exciting activities to explore the theme of Diversity. Earlier in the week, the children were exploring different world religions through our Questful RE lessons and in our Picture News this week, we explored the question 'How does change happen?' linked to the start of Black History Month. On Wednesday, we held our Careers Day and it was wonderful to see the children dressed for jobs they aspire to do when they are older. Here are some of the things children told us... **RECEPTION:** "I am a Policeman—I have arrested my sister today because she didn't do her spellings!" **YEAR 1:** "I want to be a footballer. I think I would play for any team. I like watching the Lionesses playing because they won!" **YEAR 2** "I want to be a scientist when I grow up and do lots of cool stuff!" **YEAR 3** "I have dressed like my mum who helps people because she looks after them when they need to have a funeral. I think that is a really good thing to do." **YEAR 4** "I want to be a surgeon when I grow up and help make people feel better if they are in hospital and need an operation." **YEAR 5** "I would like to be a teacher when I get older and help children learn more about the world." **YEAR 6** "I think the possibilities are endless for what you could be when you grow up because we could do whatever we wanted to do and we might even change our minds." On Wednesday we also had our SIAMS Inspection, where inspector Rob Dean visited the school for our Statutory Inspection of Anglican and Methodist Schools. Mr Dean spent the day in school visiting RE lessons, Worship, spending time talking to the children as well as speaking with parents, staff, governors and our church representative; he will now write the report which will be back with us after the half term break when we will be able to share the outcome with you. We are looking forward to being able to do so and were so impressed with the children's behaviour and attitudes to learning throughout the SIAMS/Careers Day; it was a wonderful opportunity to celebrate our Winwick Vision and Ethos. Our Harvest Festival will take place on Thursday 19th October; as always, we are supporting the Warrington Foodbank—you will find details about this in our newsletter. Our PTFA are organising the Scarecrow Trail again this year—please look out for PTFA communication about it. Mrs Duckett and The Winwick Team

Read through the information below all about Olive Morris and the impact she had.

Who was Olive Morris?

Olive Morris was a Black community leader and activist, who was born in St Catherine, Jamaica, in 1952. When she was 9 years old, she moved to London to join her parents, who had already migrated there as part of the Windrush generation. She achieved a great deal throughout her life, becoming a powerful activist in the fight against discrimination in the 1970s.

Aged just 17, she intervened in the arrest of a Nigerian diplomat outside a record (music) shop in London. She was herself arrested and later fined £10 and given a suspended sentence.

This incident was to form the start of her activism, and she soon joined youth groups fighting to oppose racism as part of the struggle for the rights of Black people in the UK. She also helped found a women's group in 1974. Lambeth Council honoured Olive's activism by naming a children's playground Olive Morris Gardens in Myatt's Fields, London.

In 2020, Google's home page featured a graphic ('Doodle') honouring Olive Morris (pictured above) on what would have been her 68th birthday. A company representative said, 'We hope that by recognising and celebrating Olive Morris with a Google Doodle, we can inspire others to keep pushing forward for change'.

Why do you believe her work and legacy is considered so important?

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information linked to St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.

EXCITING NEWS! Bishop John's visit to St Oswald's!

A Visit to St Oswald's by Bishop John of Liverpool has been arranged by Peter Beck on Monday 15th July 2024 to celebrate Christianity. The order of service has yet to be finalised but it is hoped that the school choir will play a part. Mrs Duckett has met with Peter to discuss how school can support and be involved in the event. In the afternoon we hope to hold an open afternoon with the theme of celebrating Christianity and have the opportunity to feature The Gerard and Legh Chapels. Further details will follow later in the year once we know more!
