Friday 24th May 2024

As we reach the end of another half term, we can't believe how quickly these last few weeks have flown! A huge well done to all the children for how hard they have worked this half term; as we prepare for the final half term of the year, we know they will continue to do so as we work towards the summer and our transition into our new classes.

After half term, we will share with you our teaching structure for next year. The children will also have the opportunity to spend 3 days with their new class teacher, in their new classes at the beginning of July. This year, instead of our traditional Meet the Teacher meetings, we will be changing the way that these are organised. In transition week, we will share with you via PING the parental information with all the things you need to know for next year, as we usually do, but we will not be holding the meetings in the same format. Instead, at the beginning of the Autumn term, we will be holding a 'Meet the Teacher' session where we will invite an adult into school to spend a session in school with their child and their new teacher to work together on an activity linked to the new class value. As we want to ensure that all children have an adult with them—if possible—we are not doing this in the usual transition week, but instead will be doing this at the beginning of September to allow enough advanced notice of the dates. More details about this will be shared after the holidays.

Today has been a very special final day of the half term, as we have come together to celebrate the upcoming wedding of Miss Codd and her partner AJ. We are sure you will join us in wishing them both a lifetime of love and happiness together as they begin this exciting next step of their journey. Miss Codd will be returning as Mrs Woods after the half term. On behalf of the Winwick Team, we hope you all have a lovely half term break.

Mrs Duckett

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information from St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.
