Value - Trust

Dear God, Help us to be trustworthy and reliable to all those who depend on us.

Amen.

Last Friday we held our annual Christmas Disco. It was a super evening with lots of fun, games and artificial snow! Thanks to all those who came to support the event and to all those staff who gave up their evening to run it. We made £600 which will go directly back to items used in school to support your child's learning. Year 1 visited the Warrington Museum on Wednesday and had a brilliant time learning about Toys from the past. It really complemented their Historical learning in school by seeing, touching and making judgements about artefacts. Again, thank you to those who organised it and for the support of those adults who came. Today has been Christmas Jumper day and getting set up for the Christmas Fair. I really hope many of you can make it to the event after school as there are loads of stalls, games and even pork baps to enjoy! The choir
