Christian Value - Respect

Dear Lord, Help us to love and respect those who are not as fortunate as ourselves this Christmas time.
Amen

What a gorgeous week it has been in school. Our KS1 children were absolutely brilliant in their nativity play 'A Midwife Crisis' and wowed both audiences. It is always lovely to see how confident our children are and celebrate the successes of those who really excel on the stage. Thank you for joining us and for all your kind donations towards school funds; it really is appreciated. A huge well done to all the KS1 staff who have worked tirelessly on putting such a brilliant performance together.

We also enjoyed our whole school Christmas lunch on Thursday with crackers and Christmas tunes. Thank you to our wonderful kitchen staff for putting on such a great lunch and to the PTFA for funding the crackers for all.

This week you will have also received Parental Questionnaire slips to be completed by next Wednesday. We are doing these each term based on current workings so that we can track and identify any issues straight away rather than wait until the end of an academic year. Thank you to all those who have already completed them and it has been lovely seeing the positive feedback from this term and the differences you have noticed. Thank you for all your support as we couldn't do it without you. You will have also received a letter from our Chair of Governors regarding the advertisement of a substantive Headteacher from September 2018. I know the Governors are keen to ensure stability and continuity for our school and will keep you updated of the outcome in February.
