

Year 4 Times Tables Homework Overview – Autumn 2023

- In Year 4/5/6, we need to know ALL of our Times Tables and we also need to be able to recall them quickly.
- Each week, you will be given a focus for your Times Tables so that you can work on them at home.
- You will be tested on that week's focus Times Tables on a **Thursday**, and the Times Tables homework week will run from a Thursday to a Thursday.
- You know how you learn best, so make sure you spend time each week learning your tables; you can use [TTRockstars](https://www.ttrockstars.com/) to help you too.
- You will be tested on the multiplication (AND the division facts – Y5/Y6) that go with each set of times tables.
- For 'Mixed Tables' weeks, you will be given a random set of multiplication AND division questions linked to a range of times tables sets.
