**CHRISTMAS GUIDANCE: 23rd—27th December** A Christmas bubble will be able to spend time together in private homes, including second homes and caravans, to attend places of worship, or meet in a public outdoor place. If you do form a Christmas bubble, you should not meet socially with friends and family you do not live with in your home or garden unless they are part of your Christmas bubble. In all other settings, people should follow local restrictions in the [tier](#) in which they are meeting. If you do not form a Christmas bubble, you should continue to follow the guidance for the tier you are in. **From 28 December**, you must follow the guidance for the tier in your area. Christmas bubbles will no longer apply.

#### **26/11/20—23rd December: Tier 2 HIGH**

- You must not socialise with anyone you do not live with or who is not in your support bubble in any indoor setting, whether at home or in a public place.
- Rule of six applies in outdoor public spaces like parks.
- Hospitality venues selling food for consumption are required to provide table service only and close between 11pm and 5am.
- Indoor entertainment venues such as cinemas, bowling alleys, theme parks, funfairs and adventure parks are to re-open.
- Places of worship to remain open

We may be under these new restrictions for the next few weeks but we do have Christmas to look forward to where we hope we will be able to join with our nearest and dearest. The above guidance will be reviewed again on the 16th December. Please ensure you keep to the guidance above so we can see our loved ones this Christmas. For some of us it has been a very long time.
