Our School Vision: 'In God's love, aspire and achieve to be the best.' - Corinthians 16:14

Friday 7th July 2023

What an exciting week we've had in school this week for our Transition Week! The children have spent the week in their new classrooms, spending time experiencing what it will be like in September when they move into their next class. Over the week, the children have been finding out about their new class value, have discussed their class charter for next year, as well as doing a range of learning across different curriculum areas.

We have also welcomed our new Reception children into our Winwick family, who have spent different morning and afternoon sessions with us. We were so impressed with how they showed courage - which is their new class values - by being very brave coming into school by themselves. Once in school, they have loved spending time in our indoor and outdoor classrooms, finding out about all the new areas they can explore. We hope they have enjoyed their first few days in school and we look forward to welcoming them back very soon!

In addition to the different things going on in school this week, we are also celebrating a number of successes with our Winwick Team too. This week, we have received our 'Committed to Inclusion Mark' recognising the excellent work the school team do linked to inclusive practice. I would like to take this opportunity to say a huge 'thank you' to our staff team who always work incredibly hard to support all children in our care, and it is lovely to see that this has been recognised in the Inclusion Mark.

In addition to this, our Mental Health and Wellbeing Lead, Mrs Mills, has successfully completed her training and is now officially an ELSA (Emotional Literacy Support Assistant). The work that Mrs Mills does to support our children and the rest of our Winwick family is exceptional—we are very lucky to have her as part of our team. Well done Mrs Mills!

Finally, as you know, we have our Sports Week next week. Children should come into school each day in their PE kits/plain sports clothing and trainers each day as they will be doing different activities across the week. School PE MUST be worn for Sports Day. Our Sports Day is planned for Wednesday morning, weather dependent. As we get closer to Wednesday, we will check the forecast; should this predict heavy rain, we may need to cancel the event and we will inform you of this via school PING. Have a lovely weekend.

Tickets are £12 and include a finger buffet. The proceeds are being shared between Newchurch (for repairs to the clock) and Winwick for repairs to our aging electrical system. See the link above.

Open Day

Two open days are being planned for **9th & 10th September**. The event is to be opened by Bishop Beverly and James Balme will be displaying some of his ecclesiastical history collection. The Titanic Society will be bringing a number of interesting artefacts to add to our own marriage certificate of Captain Smith. The marriage took place here at St Oswald's in 1887. We are also looking forward to a visit from the Pugin Society. **For further information please contact Peter Beck who is organising the event.**

SCHOOL/CHURCH NEWS

Earlier this week, school and church representatives met to look at how school can support the church and get involved in their Heritage event and opens days in September. We have some exciting ideas for how we can do this and will be sending further information about this prior to the summer break.
