Christian Value - Hope

Dear Lord, We thank you for Jesus sent to bring light and hope to the world. Please, show us how we can bring hope to those who feel they are living in darkness. Amen.

A big welcome back to everyone after our Easter break— we have already had a great start to the Summer Term! The children have been working extremely hard this week and have settled back into routines brilliantly. Our Year 6 children have been busy preparing for their upcoming SATs tests, while children in other year groups have been working hard during their assessments this week too. We are all very excited to start the Summer Term and, on a personal note, I am so pleased to be starting my permanent role as Deputy Headteacher here at Winwick from this term. I have had a fabulous first 'official' week and it has been lovely to see how brilliantly the children have been working; it has also been nice to chat with a number of parents on the playground too! Our value for this half term will be 'HOPE'. Children will be bringing home a "hope" worksheet in their bags tonight. Please could you spend some time discussing the value of hope so that children are aware that is about much more than just wishing as hard as we can that things will be different; it is about believing that the world can be better, and being prepared to do something about it. Please see the sheet for more information. We hope you have a lovely Bank Holiday weekend and look forward to seeing everybody on Tuesday morning.
