Dear God, Help us to find ways to encourage those around us, especially when they are sad or feeling hopeless. Amen

We've had another wonderful week in school, and it has been fantastic to see lots of our parents/family members joining us for different events throughout the week too! On Wednesday, we were joined by family members from all of our Reception children at the Welcome Service at St Oswald's. A huge thank you to Canon June and to other members of the church community who supported with refreshments in the church after the service. After the service, a number of our Reception family members joined the children in the hall for lunch. We look forward to holding class lunches with other classes at different points throughout the year too and hope that you will be able to join us. Our Year 1 and 2 visited a Synagogue this week and were in awe at the building and really showed their knowledge during the visit. At the end of the week, we held our annual Macmillan Coffee Morning. Thank you to all the people who came along to support this very important cause. This year, our school choir joined us at the event and performed a medley of songs. Thank you to Year 6 who organised this year's event and to all the extra people who offered a helping hand and/or sent cakes in for the sale. Just a reminder to keep checking our school website, as well as the class pages, for useful resources and information. All the exciting things we have done this week are on our class pages. Governors also joined us in school this week to look at our Early Years Reception; they were suitably impressed with the learning. We hope you have a lovely weekend. Mrs Dymond and all the team at Winwick CE.
