Dates TBC School Enrichment Trips

Staff are in the process of planning school enrichment trips for the academic year. Once organised, the details will be shared with parents/carers well in advance. School ask for voluntary contributions to support us with the costs of these trips. Unfortunately, if enough contributions are not received, we may need to cancel the event.

To support with the costs of enrichment trips, school will be holding some fundraising events across the academic year which will help to subsidise the costs of trips.

Thank you for your continued support with this.
