**Monday 11th March 2024**

Last week was filled with lots of wonderful events!

On Thursday it was a joy to see how excited the children were to come into school dressed for World Book Day! We had costumes galore and it was particularly nice to welcome so many parents, carers and family members into school for our morning read. Later that day, the children were visited by a guest reader from another class and children also had the opportunity to buddy up together to share books and enjoying reading different things

A short time ago, Miss Perry shared details of a competition with her children in Year 3, with a number of them submitting their own piece of writing. We were excited to find out on World Book Day that a large number of children's work has been selected to go into a book which will be published for people to buy! A huge WELL DONE to those children and a thank you to Miss Perry too!

We also have another well done and thank you, as on Friday Mrs Knapp and Mrs Jenkinson put together our school's submission for the Primary Arts Network Art Exhibition, which is being displayed at The Gateway in Warrington for the next 2 weeks. The display consists of artwork from children across the school and links to this year's project theme 'Around the World in 80 Days'. If you would like to go and see the exhibition, which includes work from lots of Warrington schools, you can visit the Gateway after school until 5pm each week day evening over the next 2 weeks.

On Friday, we held a church service to welcome Rev. Martin to our school community. The children shared cards that they had made as a class and representatives from each class also read prayers that they had specially written for the event.

On Monday 11th, Mr Nicholls, our new Deputy Headteacher will be visiting for the day to spend some time with us in school before starting after Easter.

On Friday we are raising money for Comic Relief—children are invited to wear red and donate £1 which will be sent to Comic Relief. We hope you have a wonderful week.
