

Dear Parents and Carers

This year our school are proud to be taking part in this year's Primary Art Network Exhibition along with other Schools across Warrington. The theme this year is 'Imagine a Day...'

The exhibition will take place between two sites, the Pyramid Arts Centre and the Gateway from Monday 6th March – 24th March.

As a school we wish to concentrate our efforts on what would happen to our earth if we continue to ignore global matters. We would like to use materials that have been recycled as much as possible and this is where we would like to enlist your help. We have compiled a list of items which you may have lying about or can collect on our behalf. Please send in your donations by February 15th via your child's class teacher. If you can help please bring them into school in the next three weeks with your child.

Thank you in advance

Mrs Knapp
