

# Photo Challenge

We are all staying local for our daily exercise outings. But how much attention are we really paying to our surroundings? On your next walk, try to find one of each of the items on the list below and take a photo of each. Take a mascot with you to include in the photos for a bonus story telling activity at the end.

## **Rules:**

- \* Only one photo can be taken for each item.
- \* You cannot take multiple photos of the same thing.
- \* Photos **must** be taken outside.
- \* If you are going to take a photo of someone, or something in their garden, please ask their permission!

Upload your best photos to social media and tag us @wiseupteam to let us know how you did!
