Dear Lord, Help us to know when it is right to be angry and to use our feelings and energy to make things better for other people. Amen.

It has been a wonderful week for our Year 6 pupils: they have enjoyed their last residential trip as a group and were amazing. So many stories and memories that will stay with them forever. As they go on to the next stage of their educational journey we wish them well and thank each and everyone of them for making our school a better place. It has been wonderful having them loaned to us for the last seven years and we will miss you and your families greatly.

This week has also seen our classes spend time with their new class teacher and in their new home for next year, They produced some super art work on their class value which will be displayed in the Hall in September, as well as producing their first piece of written work in their new books. All of the children rose to the challenge and really showed they were ready for their next year group. It was also pleasing to see so many parents come to the Meet the teacher events held on these evenings. We went through expectations, any changes to what the children should/ should not be bringing into school etc. All the powerpoint presentations will be uploaded to our website over the weekend in the new class pages folders so if you could not attend the meeting read through these presentations to see any changes in preparation for September.

As you will have seen in our recent information which was sent out with the pupil reports, we will be losing some valued members of staff this academic year: Miss Dalzell who is leaving for promotion to another school, Mrs Gordon who is going on to work in other schools across Warrington, Mrs Farrell who is leaving to work closer to home as well as Mrs Knight who will be retiring. On behalf of the whole school community we wish to thank them and wish them well for their future.

As this will be the final newsletter of the year, may I take this opportunity to again thank you for all your support over 2017/2018 and wish you a wonderful summer holiday with plenty of relaxation and rejuvenation.

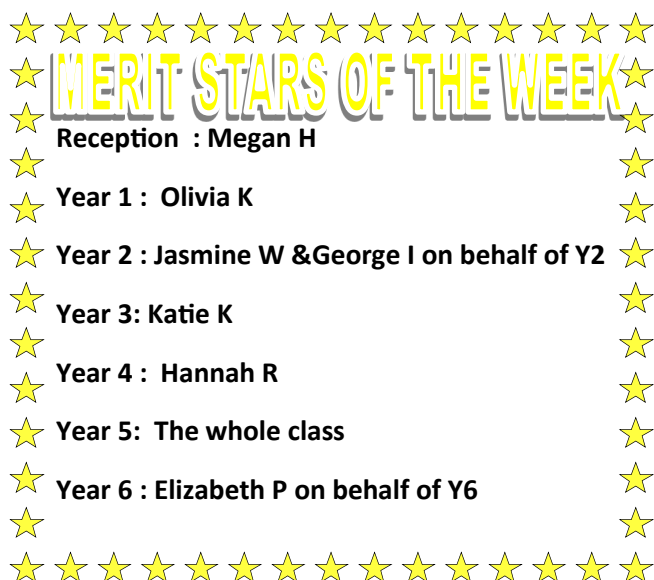

I look forward to seeing you all again in September,

Mrs Dymond and the full team at Winwick CE Primary

## UNICEF SHOE APPEAL 25/07/18

Clarks shoe stores help UNICEF to reach children in danger by donating old or unwanted shoes. The shoes donated will help to change children's lives by buying educational equipment such as the "School in a Box". In support of this we ask for your child to leave any shoes you wish to donate on their table on the last day of term. These will then be taken to the shoe appeal. Thanks in advance for your support with this.

### MERIT STARS OF THE WEEK

Reception : Megan H

Year 1 : Olivia K

Year 2 : Jasmine W & George I on behalf of Y2

Year 3: Katie K

Year 4 : Hannah R

Year 5: The whole class
