Our School Vision: *'In God's love, aspire and achieve to be the best.'* - Corinthians 16:14

Friday 28th June 2024

What an exciting week we have had!

Our Year 5 children have been to Hope Academy for an Ethos Day where they took part in a range of activities across the day including sports, RE and Values. *"It was great to see Hope and take part in the different activities. They also gave us a little gift to take with us that told us all about their values too, which was really nice!"*

Year 3 and 4 had an exciting time on Thursday at BeWILDerwood where the children spent the day exploring the different zones and activity areas across the day. *"It was AMAZING! It was so good! I loved all the different things we could do, especially the cargo net—I was so fast getting to the top!"*

Year 1 and 2 spent the day at Chester Zoo on Friday where they had the opportunity to see the different animals in their habitats and explore all the enclosures. *"The zoo was so fun! We got to see so many animals but my favourite was the giraffes. They were just so tall, but they were so cute too! I like to see their environments."*

Next week we have our Transition Week where the children will have the opportunity to spend time with their new class teachers. Children will have PE on the same days as usual, so please ensure they have their school PE kit on for those days. Brass will also go ahead as normal for our Year 4 and 5 children next week, so they will need their instruments as normal on Thursday. We also look forward to welcoming our new Reception children next week too. Good luck to our Year 6 children who will also be having their transition to high school next week too!

Have a wonderful weekend. Mrs Duckett and the Winwick Team

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information from St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.
