Prayer for the Week

God of Love. You are with us in every transition and change. As we enter into this new era, we recall your deep compassion, presence and abounding love. Be with us as we move forward, rejoicing with you and supporting one another.

Amen

It's been an exciting week at Winwick, with everyone getting to have some time in their new year group.

On Monday morning, our week started by welcoming our new Reception children and their grown-ups to their welcome 'Stay and Play Session', where we had juice, biscuits and activities in the hall. It was so wonderful to see how well the children played together and how confident they were in their first session in school.

Later in the week, the new Reception children joined us again, this time showing their new class value of Courage, where they came into school and their new classroom for their transition days where they had the opportunity to explore the outdoor classroom, do some writing of their names and spent time getting to know their new friends.

Between Wednesday and Friday, our children from Reception to Year 5 had the opportunity to spend time in their new year groups, with children finding out more about their new class value and working together on their new Class Charters ready for September.

Our Year 6 children also had the opportunity for transition to high school this week too where they have found out more about the forms they will be in and had their first experiences of high school. They also had their Year 6 Prom event this week and it was lovely to see the photographs of the children across each of their years at Winwick and to reflect back on their journeys and how much they have grown up. We are so proud of them! Next week the Year 6's are off on their residential to Conwy and we look forward to finding out more about their adventures.

A fabulous transition week children; I know that the teachers have been so impressed with you this week and are looking forward to the start of next academic year. We are all really looking forward to seeing where next year takes you! Well done!

On behalf of the Winwick Team, we hope you all have a wonderful weekend.

Our School Vision: 'In God's love, aspire and achieve to be the best.' - Corinthians 16:14

As a church school, our church at St Oswald's is really important to us. Our children love being able to visit the church to attend services and different events throughout the school year and it is important that we support them as part of our wider community.

Each week, we will share information from St Oswald's with you on our newsletter and we will also be sharing different key dates with you about the events in our local community that are supporting our church.

Early help

What is early help? Our early help teams work with families to provide support to children, young people and their families as soon as difficulties start to emerge.

Early help can:

- provide support as soon as a problem emerges
- help prevent further problems from arising
- be offered to the whole family with services delivered jointly

Any professional working with your family, such as schools, health services and voluntary sector organisations, can offer early help services as soon as they can see that advice, support and/or intervention may be needed.
