Dear God, We thank you for Mary's trust in you. Help us to know that however small and insignificant we feel you can trust us to change your world. Amen.

This week has been a wonderful opportunity in school to shine and show others from Liverpool Diocese what a super place Winwick is. On Tuesday, we welcomed two Advisors, as well as Headteachers, Deputy Headteachers and RE Leaders from schools across Liverpool Diocese into our school. They joined us in worship which was led by the excellent Open The Book team, were shown around school by three Year 6 pupils from the Ethos Team: Hannah, Tamsin and Rhys plus met with other pupils from Years 1-6 about our newly introduced Values Passports. I was so impressed and proud of them, and the full team of pupils and staff. It truly reflects how far we have come on our journey at Winwick and what a special place it is. I wanted to share an excert from an email I received following the visit...

"I am just contacting you to say a huge thankyou for hosting the Christian Leadership morning on Tuesday. The delegates were blown away by the friendliness and openness of the school. They clearly saw how your vision and associated values are driving all that you do. The Open the Book Team were fantastic ... one of the best I've seen, please thank them too. Will you please pass on my thanks to all your staff who were only too happy to chat to the delegates and talk about the reason behind why Winwick is such a special school. Finally please say a huge thankyou to Tamsin, Rhys and Hannah who led us around school with confidence and great pride in their school. They are a credit to the school ... wonderful ambassadors. They demonstrated what living out your values looks like." David Thorpe.

Have a wonderful weekend everyone,

Mrs Dymond and the team at Winwick CE
