

Training & Meeting information for Governors 2020-21 & 2021-22

This information does not include the additional webinars such as the NGA ones which individual Governors have watched during the previous and current academic year.

The total training and meeting hours given to school for the academic year 2020-21 were 340 hours. The impact of this training and meeting schedule is clear and evident on the Leadership & Management of Winwick CE Primary.
