

Dear Father God, Thank you for our family and friends and for times of celebration that we can share in together. Amen.

It certainly has been a week of celebrating and sharing in children's successes. On World Book Day we were amazed by how many parents and grandparents came to share in their love of books with their children. It was fantastic to see the Hall full to the brim and have a real buzz around Winwick. Thank you to you all for taking the time to come out of your busy schedules. It was such a super day with all the children in costume and really enjoying so many fun activities the staff put on for them. I know I loved reading my favourite story with Year 1 class. We will upload lots of photos from the day to the website and when you come in for parents evening you will see our new reading display in the library area. We also celebrate the achievements of our Year 6 football

team: Josh, Connor, George, Isaac, James, David, Matthew, Holly, Emma and Reece who came fourth in this tournament. It was very tight with penalties! On Thursday Harry, Tyler and Rory had a super day at the Primary Ability Sports Day. They thoroughly enjoyed themselves and took part in all the activities. It was also the final session of Bike ability. Well done to all those Year 5 and Year 6 pupils who took part. In school, it isn't always about being the best but about giving it a good try so a huge well done to all our pupils who received a certificate and those who just narrowly missed out. We are equally proud of you all!
